Note that from 2022 the Technology Levy, previously calculated additionally per student, has been rolled into the tuition fees shown above. There is no additional Technology Levy payable.

Capital Levy and Senior School Book Bond

Due to the Capital Levy being charged per family and Senior School Book Bond being refundable, these will continue to be shown as separate items.

2022 Capital Levy† (per family)  Annual: $400

A capital levy is charged on a per-family basis in addition to the Fee Schedule shown above. This levy is not tax deductible.

2022 Book Bond* (per Senior School student)  Once off: $200

A book bond, for all students in Years 10-12, will be charged when the student begins Senior School. Please note that this is refundable, provided books and laptop are returned in good condition when the child leaves the school, or at the end of Year 12.

When do School Card rates apply?

When a family has been assessed as eligible “Independent School” School Card holders for 2022 by the Department for Education and Child Development (DECD), reduced tuition fees apply. A separate fee schedule information page outlining the reduced fee structure is available from the Front Office for families who qualify for School Card, along with the application forms.
Fee Payment Options

Cedar College bills the school fees for its students on an annual basis. To help families manage their budgets we have a number of options for payment of the school fees, with all fees due to be finalised by the last Friday in November of that billing year.

Families are required to discuss their preferred payment option with the Finance Department by the Friday of Get Ready Day, in January. This may be by phone (8261 3377), email (admin@cedarcollege.sa.edu.au), or in person.

While all of the tuition fees and levies will appear on your first statement of the year, other incidental or requested charges may be included on subsequent statements, e.g. Instrument Hire charges or Senior School blazer.

Option 1: Annual payment in full, by February 11, 2022.

This option will include a 5% settlement discount on tuition fees if paid by Cash*, Cheque, or Direct Deposit to the school's bank account. A 4% settlement discount on tuition fees will be applied if paid by Credit Card (Visa or MasterCard only – AMEX and Diners are not accepted)

*Pending changes to legislation, up to $9900 in cash only.

Option 2: Four equal payments, due by the second Friday of each term.

These can be paid by Cash*, Cheque, or Direct Deposit to the school's bank account, but will not attract a settlement discount.

These payments can also be set up as a direct debit from your nominated bank account or credit card.

Option 3: Direct debit instalments as calculated or confirmed by the Finance Office.

This can be on a weekly, fortnightly or monthly basis, to be finalised by the last Friday in November of the billed year. These instalments* can be deducted from either your nominated bank account or credit card.

*More details about our new web-based instalment facility will be made available in early 2022.

Outstanding Fees:

Overdue School Fees can have an impact on the school's ability to meets its financial obligations. It is very important that any families that are experiencing difficulty in meeting their payment obligations contact the Business Manager to discuss alternative payment options as soon as possible.

Cedar College reserves the right, at its discretion, to:

- Charge a late payment fee where an account is in default;
- Commence legal action for the recovery of fees not paid, including placement of a charge over property to secure the debt. All legal costs will be payable by the parents/caregivers.
- Refuse re-enrolment if fees are overdue.
